

Tell us what we should be taking action on!

Submit a Conference Agenda Item before 26th May

This is the time to have your say!

Annual Conference is your P&C's opportunity to raise education issues that you believe State Council should be taking action on, or to propose changes to the WACSSO Constitution and Policy.

P&Cs can submit an agenda item online or in writing. To help, you may like to view our sample agenda items document. Find all information at:

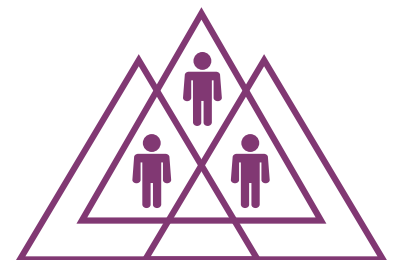

www.wacssso.wa.edu.au/events

Please contact your State Councillor or WACSSO office staff if you require any assistance with preparing your agenda item.
