P&C DAY WA IS ONLY A MONTH AWAY!

On Friday 19 May we will be celebrating WA's exceptional Parents and Citizens' Associations (P&Cs) that give so much to our school communities. P&C Day WA is about giving thanks to P&C members and letting them know that we see the light they shine on our schools.

There are various ways to celebrate P&C Day, including posting on social media, giving your local P&C members 'thank you' cards, or hosting an event to celebrate your P&C. WACSSO has a range of FREE P&C Day promotional materials and resources available on their website, visit:

<https://www.wacssso.wa.edu.au/events/pc-day-wa/>.

P&C DAY WA IS TOMORROW!!

We can't wait to see how our community celebrates all the amazing work of the P&C! For all your last minute templates, visit the WACSSO website today. If you are visiting your school tomorrow, make sure you take the time to thank a P&C volunteer!

HAPPY P&C DAY WA!

Today we say THANK YOU to WA's amazing P&Cs for contributing so much to our schools. P&C volunteers are a shining light within school communities; their dedication and passion helping to provide WA students with the outstanding educational experience they deserve.

Over the period of 2020-2022, WA P&Cs made huge contributions to our schools, donating an impressive collective total of close to \$12million each year. In the same period, P&Cs provided a collective total of nearly 500,000 hours each year. It's essential to recognise that each hour volunteered and dollar donated helps ensure students across WA have an exceptional educational journey.

We encourage school communities to get on board, share the P&C light, and let your local P&C know that you see all the amazing things they do.
