

eSafeKids

EDUCATE | EQUIP | EMPOWER

eSafeKids educates, equips and empowers children and young people to have safe and positive experiences.

Through proactive prevention education we support and inspire parents, carers, educators and other professionals to talk with children and young people about body safety, cyber safety, digital wellness and pornography.

Services for

- Parents/Carers
- Professionals
- Primary & Secondary Students
- Corporate Sector
- Keynote Presentations

Workshop topics

- Protective Behaviours & Body Safety
- Cyber Safety & Digital Wellness
- Pornography Education

eSafeKids provides resources to teach children about social and emotional intelligence, body safety, cyber safety, consent, digital wellness, media literacy, pornography and much more.

“Protecting children from harm is a shared responsibility. We can all play a role in the care, safety and protection of children.”

eSafeKids is a social enterprise founded by Kayelene Kerr. Kayelene is recognised as one of Australia’s most experienced specialist providers of Protective Behaviours, Body Safety, Cyber Safety, Digital Wellness and Pornography education workshops. Kayelene has featured on Australian and international television broadcasts, radio programs and in print media.

Kayelene is passionate about the prevention of child abuse and exploitation, drawing on over 25 years’ experience of study and law enforcement. Kayelene has travelled extensively as a sought after key note speaker and workshop facilitator.

Kayelene has presented to international audiences and has delivered keynote addresses and workshops at Education, Child Protection, Health, Family & Domestic Violence, Community Services and Cyber Security conferences.

Kayelene has also presented to many primary and secondary school students, government and non-government departments, service providers and businesses.
