

GET INVOLVED WITH CONTAINERS FOR CHANGE

Raise money for your school while cleaning up the environment. With your help, we can save millions of containers from litter and landfill!

ACKNOWLEDGEMENT OF COUNTRY

We acknowledge the Traditional Custodians of the land upon which we stand today and pay our respects to Elders past, present and emerging.

We acknowledge that as a State-wide network, we have operations across the lands of many Traditional Owner groups, and we pay our respect to the Traditional Owner groups and Elders across WA.

DID YOU KNOW?

WA USES **13 BILLION**
DRINK CONTAINERS EVERY 10 YEARS.

That's enough to fill Optus Stadium 3 times.
Don't let your containers end up in landfill.

TARGETING LITTER AND LANDFILL

Containers for Change targets the beverage containers that are commonly littered. This includes plastic and glass bottles, liquid paperboard cartons, and steel and aluminium cans.

Together we can keep these 10¢ containers out of landfill, give them another life, and help our community while doing it.

HELP US RAISE FUNDS WITH CONTAINERS FOR CHANGE

Support your community while cleaning up the environment.
With your help, we can save millions of containers from litter and landfill!

Hi there,

I'm collecting 10¢ drink containers to help Mullaloo Primary School to raise \$1000 for new play equipment through Containers for Change.

Containers for Change is a state-wide recycling scheme that enables schools, charities and community groups who participate in the scheme to fundraise for their cause. Every eligible container collected is worth 10 cents, which can really add up!

I'm asking friends, neighbours, and local businesses if they could also save and donate their containers to help raise funds for this cause.

If you would be happy to donate your containers, please contact me to arrange a one-off or regular time to collect your containers. I will then deliver the 10¢ containers to an authorised Refund Point and donate them to Mullaloo Primary School using their unique member number.

Thanks very much for your help (and containers),

Lucy Smith

Get your Zooper Dooper icy pole on Thursdays

Weeks 6 & 7

Bring in 10 containers! Get a Zooper Dooper!

Repeat!

Zooper Dooper Thursdays are back!

Simply bring in your 10 containers, have your name ticked off your classroom chart, get your Zooper token, come and see Mrs Sanders on Thursday lunch time after the eating bell and receive your Zooper Dooper icy pole.

Repeat!

You can bring in 10 containers every week!

WEEKS 4 & 5

Containers for our Garden Challenge!

This challenge is a whole classroom challenge, so you have to work as a team to bring in as many containers as you can!

All money raised will fund our Community Garden. You can become part of our Gardening Club where we will plant, water, and maintain our garden!

All your classroom's containers will be added together and the classroom with the most containers will win the challenge!

Here are our amazing prizes for the winning classroom:

- One Zooper Dooper icy pole for each student
- 15 minutes free play for the whole classroom
- A team photo to hang in your classroom
- The Containers for Change winner's trophy
- A free lunch duty for your classroom teacher

Money raised will help us to purchase new seedlings, plants, fertiliser and soil improver for our garden.

Wow...so start bringing in your containers now!
